Sell your vans on line with the experts

van specialists

The team behind vanlocator on line have specialised in marketing new and used vans on behalf of dealers since 1998.

All too often new business start ups think they have the answer to advertising your vehicles for sale. They come, they go. Focus Publishing has been producing weekly van magazines focusing 100% on selling new and used vans since 1998.

internet experience

Since 2001 the company has operated www.vanlocator.co.uk purely as an additional benefit for advertisers in Van Finder and Van Locator magazines.

the file you want and the van is ready to be seen by thousands of buyers. For dealers with plenty of stock we can take a data feed from your system to save any re-keying of vehicle details at all.

clear statistics

No need to wait for reports covering how many people have viewed your vehicles - each vehicle in your control panel will show how many times it has been studied and how many times the 'enquiry' button has been clicked.

stand out

We understand that it is difficult to stand out in certain internet web sites, however with vanlocator.co.uk

With the total redevelopment of the site by industry professionals any van dealer can now advertise on the new-look website, whether or not they advertise in the magazines.

You're in control

You can change your company details, logo and, best of all add or change the details of all of your vans through your own personal control panel. It couldn't be easier to upload up to four photos per vehicle, simply enter the details of your van, select

you are able to upgrade some or all of your vehicles to feature on the 'hot vans' section of the website. These vans 'rotate' making sure that the content is always fresh. There is a maximum of 500 vans on this list at any time.

For real impact, a series of your vehicles could standalone on the homepage as the featured van. There is only one spot available on the home page. This space can be purchased on a daily basis for up to three vans to be displayed.
